

7/29/2020 BCVS meeting, ACS ACRE Session

1:30 – 2:30 PM

ACS ACRE

Critical Signaling Pathways in Heart Failure

Moderator: Faqian Li, MD, Minneapolis, Minnesota

- 1:30 Synchronizing Cardiac Metabolism With Nutrient Intake
 Martin Young, DPhil, Birmingham, Alabama
- 1:45 Developmental signaling pathways in cardiac repair and regeneration
 Sean Wu, PhD, Stanford, California
- 2:00 Exploring informatics approaches to better understand pathogenic pathways underlying
 COVID-19
 John Harry Caufield, PhD, Los Angeles, California
